

Security Committee Policy and Procedures

General Purpose

The Committee's purpose is to work with Crane Lakes Management to provide security for the residents within the Community.

1. The Committee shall field issues and concerns from residents related to the security of the Community.
2. While traveling about the Community, Committee members shall be observant of security issues that need to be addressed and bring these issues to the Committee meetings for discussion.
3. Committee members shall attend Committee meetings scheduled on an as-needed basis by the Chairperson to discuss residents' issues and concerns, and to gather a consensus of ideas and suggestions to aid in the resolution of these items.
4. The Committee Chairperson shall meet at least quarterly with Crane Lakes Management to discuss security issues and recommend actions to be taken.
5. The Committee Chairperson shall maintain contact with the Security Committee Liaison to keep them informed of activities, and to recommend when further action needs to be taken to a higher level of management.
6. When the Committee Chairperson changes, the former Chairperson shall accompany the new Chairperson to the first Committee meeting and the first meeting with Crane Lakes Management to ensure a smooth transition.
